Dear Kent:

Thank you for speaking at the Iowa Association of Business & Industry Convention at Lake Okoboji. I particularly appreciated your spending the entire convention with us.

My sons especially enjoyed watching *The Final Season* and then having an opportunity to visit with you and ask questions. In fact, on Saturday Mary, Andrew and I took a trip through Norway and drove by the ball diamond and school.

Thank you for the outstanding example that you set for all of us. Your presentation was great and I really enjoyed visiting with you. I invite you to stop in to visit our plant if you are in our area.

Sincerely,

A handwritten signature in blue ink that reads "Charles E. Sukup". The signature is written in a cursive, flowing style.
